

## CONRAIL C&amp;S STANDARD PLAN INDEX

SHEET 2 APR. 18, 1988

| DESCRIPTION   | PLAN NO. | SHEET  | DESCRIPTION                                      | PLAN NO. | SHEET |
|---|----------|--------|--|----------|-------|
| MOUNTINGS, SIGS & MARKERS ON POSITION LIGHT SIGNALS | 7000     | 7      | ROD, POINT DETECTOR CONNECTING-FOR US&S M-23     | 8321     | 2     |
| MOUNTINGS, SIGNS AND MARKERS ON COLOR LIGHT SIGNALS | 7000     | 8      | SWITCH MACHINES                                  |          |       |
| NUT, LOCK ROD CUP                                   | 8003     | 2      | ROD, LOCK-FOR US&S SWITCH MACHINES               | 8311     | 1&2   |
| NUT, LOCK ROD SLEEVE                                | 8003     | 2      | SIGN, BEGIN BLOCK                                | 7000     | 2     |
| PAINTING OF SIGNALS                                 | 9505     | 1,2,&3 | SIGN, CP LOCATION                                | 7000     | 9     |
| PIERS-FOUNDATIONS, STEEL, CASE & HOUSE              | 2506     | 1      | SIGN, DISTANT SWITCH                             | 7000     | 1     |
| PIPE, ONE INCH FOR SIGNAL APPARATUS                 | 8020     | 1      | SIGN, END AUTO BLOCK                             | 7000     | 2     |
| PLATE, ANCHOR                                       | 8004     | 3      | SIGN, END OF BLOCK                               | 7000     | 2     |
| PLATE, BASE-FOR CRANKSTAND                          | 8004     | 1      | SIGN, END OF HIGHWAY CROSSING CIRCUIT            | 7000     | 6     |
| PLATE, BASE FOR DERAIL                              | 8004     | 1      | SIGN, MANUAL BLOCK                               | 7000     | 6     |
| PLATE, BASE-FOR US&S T-20 SWITCH MACHINES           | 8004     | 4      | SIGN, RADIO CHANGE CHANNEL                       | 7011     | 1     |
| PLATE, FIBRE INSULATING                             | 8321     | 1      | SIGN, SLIDE PROTECTION                           | 7000     | 1     |
| PLATE, LATCH STAND-FOR USE WITH GRS                 | 8004     | 4      | SIGN, STOP-PERMANENT                             | 7010     | 1     |
| MODELS 5F AND 5H SWITCH MACHINES                    |          |        | SIGNAL, APPROACH BLOCK LIMIT                     | 7464     | 1&2   |
| PLATE, LOCK ROD-FOR GRS MODEL 5 SWITCH MACHINES     | 8003     | 2      | SIGNAL, BLOCK LIMIT                              | 7464     | 1&2   |
| PLATE, SADDLE-FOR GRS MODEL 5 SWITCH MACHINES       | 8004     | 1&2    | STRAP, TIE                                       | 8014     | 1&2   |
| PLATE, SIGNAL NUMBER                                | 7000     | 4      | STUD, BALL-FOR SWITCH FOOT, US&S SWITCH MACHINES | 8321     | 1     |
| PLATE, STEEL-USED WITH SWITCH POINT INSULATION      | 8321     | 1      |  |          |       |
| POLARITY, TRACK CIRCUIT                             | 9009     | 1      | TAGGING, IDENTIFICATION OF WIRES                 | 2700     | 1&2   |
| RACK- RELAY   | 2505     | 1      | TIE, SWITCH                                      | 8195     | 1     |
| RAMP, HOT BOX DETECTOR PROTECTION                   | 1502     | 1      |  |          |       |
| RELAY, APPLICATION OF CENTRIFUGAL TRACK             | 9016     | 1      | WEDGES, SWITCH POINT BLOCKING                    | 2521     | 1     |
| ROD, CONNECTING                                     | 8002     | 1      |  |          |       |
| ROD, FRONT- FOR DERAILS                             | 8001     | 2      |  |          |       |
| ROD, FRONT-FOR SLIP SWITCH                          | 8001     | 3      |  |          |       |
| ROD, FRONT-FOR SINGLE SWITCH-GRS SWITCH MACHINES    | 8001     | 1      |  |          |       |
| ROD, FRONT-FOR SINGLE SWITCH-US&S SWITCH MACHINES   | 8321     | 1&2    |  |          |       |
| ROD, JAW-THREADED                                   | 8002     | 2      |  |          |       |
| ROD, LOCK-FOR GRS SWITCH MACHINES                   | 8003     | 1      |  |          |       |
| ROD, OPERATING-FOR US&S M-23B SWITCH MACHINES       | 8331     | 1      |  |          |       |
| ROD, POINT DETECTOR-FOR GRS SWITCH MACHINES         | 8005     | 1,2,&3 |  |          |       |
| ROD, TANG END                                       | 8002     | 2      |  |          |       |
| ROD, THROW-FOR GRS SWITCH MACHINES                  | 8002     | 1      |  |          |       |
