SUBJECT: Revised Standard Plans for Turnouts

Attached are the following revised Standard Plans for Turnouts:

73184-N, Sheet 1	73206-D
73184-I, Sheet 2	73207-D
73185-L	73208-E
73186-L	73209-E
73187-L	73210-E

The 8 turnout alignment plans have been revised to show additional rails furnished with the turnouts and the increasing of some tie lengths. The 2 bill of material plans (73184-I, Sheet 2 and 73210-E) have been revised to show the additional rails furnished by the manufacturer with the turnouts. All rails out to approximately the end of the long timbers will now be furnished with all turnouts.

Please note that original plans carry the letter suffix "A". Revisions are indicated alphabetically by letter suffix. Date of each revision is noted in the upper left hand corner of the plan.
