

Subject: Development of data on chemicals being used by paper mills
on NS.

Cleveland, Ohio - April 11, 1983

File: 04 278-36

Mr. D. W. Seale - Roanoke

Your File Pulp & Paper Chemicals March 3.

Mr. R. E. Wetick, Corporate Transportation Specialist, Hammermill Paper Co., Erie, Pa., (CR-Open) has furnished current information you requested on attached form, however, he advises he cannot furnish rates as all these products are purchased on delivered basis and he does not know rates charged, also, in each case vendors equalize freight.
